

CVR Refining's Coffeyville Refinery Resumes Normal Operations

COFFEYVILLE, Kan. (Sept. 2, 2014) – CVR Refining, LP (NYSE: CVRR), a refiner and marketer of petroleum fuels, today announced that its Coffeyville refinery resumed normal operations last week within the time frame the company indicated during its 2014 second quarter earnings conference call. The refinery had been shut down since July 29 as a result of a fire that damaged its isomerization unit and distributive controls system.
